

Happy Space Studio

Happy Space can be found behind Colchester Avenue, Penylan, Cardiff, CF23 9BN

If you are coming from Pen y Lan Road and up the hill, turn right into Colchester Avenue and before the first house on your left, there is an access road to enter the access lane behind Colchester Avenue (between Colchester Avenue and Winchester Avenue). Come down the access road (where the garages are for the house on Colchester Avenue) and you will see a bright yellow gate on your right.

This is the Happy Space!

Parking can be busy on Colchester Avenue so if you cannot walk or cycle to the studio, there is plenty of parking on Pen y Lan Road and then it will be a 2 minute walk.
